PROPERTY MAINTENANCE/GARBAGE

- Please take notice, all homeowners in town must ensure that hedges, shrubs, and trees located on their property have a 6 ½ foot clearance above all sidewalks and must not overhang the sidewalks and streets.
- Owners of empty lots must ensure that their lots are properly mowed and cut. Failure to comply with this notice will result in the Village doing the trimming and cutting at our discretion and at the expense of the property owner.
- Also, please keep all grass, weeds and trees behind your sheds and garages in the back-alley areas cut and clean. Do not pile your grass clippings, etc. in the back alleys.
- **Please NOTE: If you have an abundance of tree branches, please contact the village office to arrange for the town truck to be parked overnight so you can load it yourself. Going forward, if tree branches are left in the back alley, the town foreman will collect and haul one truckload to the transfer station at no charge. Any additional loads will be subject to a fee of $100 per truckload if the foreman is required to handle them. Please keep the back alleys free of debris. NO parking in the back alleys.**
- **Please DO NOT blow your grass clippings into the streets.**
- **Please DO NOT dump grass clippings.** Bag them and we will add them to the compost at the Transfer Station. Yard Refuse will be picked up on Monday's.

- **********PLEASE NOTE**********
